the instructions on next page

All bids will be entered as received, and the lots distributed according to the highest offer. Bid by number of lot, *and at so much for the lot*, regardless of number of pieces. This change is made to simplify bidding, and overcome the numerous errors which have occurred in the three preceding sales. Mail or express charges are to be paid by the purchaser. No commission will be charged for executing bids. The properties listed herein are of such a diversified nature that there should be something to interest every collector, and it is hoped that the recipient will make an offer on something, so that his name may be kept alive in the address book, insuring the receipt of subsequent catalogs as issued. A priced catalog giving amounts realized for each lot will be supplied after the distribution for 30 cents. Priced catalogs of former sales furnished at 30 cents. *Bids must be in on or before January 31, 1903.* Kindly give reference if bidding for the first time.
